

Saxonburg Area Rotary Club is proud to announce an exciting milestone in our mission to enrich the lives of local families... **Saxonburg's first-ever community playground is becoming a reality!** As part of our *Bringing Smiles to Saxonburg* initiative, this playground will provide a safe, inclusive, and joyful space for children and families to gather, play, and build memories—right in the heart of our town in **Roebling Park**.

Saxonburg Area Rotary has proudly supported a wide range of community-driven initiatives. From raising funds to build the Pavilion at the Saxonburg Area Library to awarding scholarships that invest in our local youth and others, the Rotary has remained committed to making a difference.

Now, we need your help!

We are reaching out to local businesses, community leaders, and residents like you to help make this vision a reality. Your support—whether through sponsorship or donation—will make a lasting impact on generations to come. With project costs estimated at \$150,000, we are proud to share that we already are half way to our goal. To complete the project this year, we need your help.

You Can Help

- **Become a Sponsor** – Gain recognition and show your support with custom signage or naming opportunities. Sponsor a fence slat displayed around the play area. Personalize it with your name, business, or in memory of a loved one.
- **Make a Donation** – Make a direct donation or select a donation level from several available. Every dollar helps us get closer to our goal!
